The Government (in the above order) have placed the Sandur Taluk in Hospet division. In my reference No.5480/4 A1 dated 17-9-1949 I had proposed the attaching of Sandur Taluk to the Hospet Division on the presumption that the Siruguppa taluk would be kept on in Bellary Division even after the separation of Judiciary. Siruguppa taluk has however been include in Hospet Division after the separation of Judiciary from Executive. There have been several representations both to the District officials and Hon'ble the Ministers from the people of Siruguppa Taluk requesting its inclusion in Bellary Revenue Division. I consider that it would be advantageous and conven nt to the people of Siruguppa if it is restored to the Bellary Revenue Division as it is nearer Bellary and as at present the public are experiencing great hardship and inconvenience by Siruguppa remaining in the Hospet Division. Besides the above the Hospet Division will become unduly heavy, if Sandur is added on to it in addition to Siruguppa. I, therefore, reques that the Government may be pleased to restore Siruguppa taluk t Bellary Division. This will make both the divisions in the district equal with five taluks each. I request early orders on all the matters referred to above.

Public (Separation) Dept.

Please see the copy of orders above. The merged State of Sandur has since been constituted into a separate taluk in the Hospet Revenue Division of the Bellary district.
